7.4 Contribution to environmental awareness/ Protection:

<p>The students, faculty and administrative staff are sensitized to use the electricity in conservative manner. Further, the purchase of computers and electronic equipment, Air conditioners, refrigerators etc. with EEC compliance technology are recommended.</p> <p>I. The planning of buildings with wide windows for better lighting and good ventilation also helps in energy conservation to some extent.</p> <p>II. Boards with direction to switch off the light when not in use are placed</p> <p>III. Usage of Fluorescent lights, CFL and LED lights all over the campus for conservation of energy.</p> <p>IV. Replacing of old Air Conditioners with Star rated units for saving of energy.</p> <p>V. Putting off the garden lights and other, after evening every day to save energy.</p> <p>VI. Paperless and less paper works are promoted by administration to save the paper.</p> <p>VII. The NSS units and staff of the University are active in the process of making the campus clean by their sincere participation in the SWACH BHARAT Programme and planting the trees in the required areas to make the campus further greener as possible.</p> <p>Use of renewable energy</p> <p>Solar Energy is being used by installing solar electricity systems on the top of the administrative buildings and Guest House.</p> <p>Water harvesting</p> <p>Rain water harvesting pits are provided at all the buildings, to restrict the flow of rain Water runoff and recharge the ground water sources.</p> <p>The existing greenery of the campus also helps in reducing the runoff of the rain water in the campus.</p> <p>Efforts for Carbon neutrality</p> <p>I. Smoking is strictly prohibited in the campus in order to reduce pollution.</p> <p>II. The entry to outside vehicle is restricted on the campus</p> <p>III. Burning tree leaves and other waste wood is totally prohibited.</p> <p>IV. Owing to presence of large number of trees and green pastures the carbon dioxide released in the campus is being neutralized and the air pollution is reduced.</p> <p>V. Due to maintenance of trees and gardens the health conditions and air pollution-control are maintained.</p> <p>Plantation</p>
--

<p>Plantation of trees is continuously maintained by NSS Programmes. As this is traditional University, some traditional plants mentioned in ancient Sanskrit literature were also planted in campus like Saptarni, Tulasi etc. The campus of the University is getting more and more greener.</p> <p>Hazardous waste management</p> <p>There are no scientific departmental laboratories in the campus. Hence, there is no Hazardous waste material available in the campus.</p> <p>E-waste management</p> <p>Old computers, printers, scanners and Xerox machines etc., which are obsolete and irreparable, are kept in a separate room and they are disposed by systematic way. Some of them are also disposed off on buy-back/exchange basis while purchasing new systems of the above stated categories.</p>

7.5 Whether environmental audit was conducted?

No

7.6 Any other relevant information the institution wishes to add (for example SWOT Analysis)

<p>Strengths:</p> <ul style="list-style-type: none"> Scholarship of teachers in their respective fields. All teachers are involved in various activities organized by the Departments as well as University. Well equipped centralized library facilities are available. Interdisciplinary approach is adopted in research. <p>Weaknesses:</p> <ul style="list-style-type: none"> Lack of research projects undertaken Job prospects are not sufficient, so the tendency of students towards admission is reduced Lack of insufficient funds/financial support Non availability of land from State Government, inadequate infrastructure Non availability of land & insufficient funds, unable to develop requisite laboratories <p>Opportunities:</p> <ul style="list-style-type: none"> Being Sanskrit University, interdisciplinary research areas and social demands. Whole State is jurisdiction. Young faculty with modern technology skills. <p>Challenges:</p> <ul style="list-style-type: none"> Employment of Graduates.
