2.3.2 - Teachers use ICT enabled tools including online resources for effective teaching and learning processes during the year

KKSU has always been at the cutting edge in providing ICT enabled tools and electronic resources in teaching and learning activities. Our faculty members use audio-visual tools to impart knowledge. High quality audio and video devices are provided to faculty members. CUS understands the needs of class room facilities and so high quality 1GBPS band with easily accessible internet and the campus are Wi-Fi enabled with seamless internet for all ICT activities. E-Platform is also being used for day to day meetings and non-academic activities. KKSU prides itself for its library resources. The library conducts exhibitions to create awareness among faculty members and students regarding availability of e-resources. Students too have digital access to thousands of books and Journals through the central library facilities. Due to unprecedented conditions created by corona it was rather a compulsion for the teachers to learn, adopt and practice with the ICT enabled tools. Special use of laptop and internet has become a common practice not only for the teachers but also for the students.

2.5.3 - IT integration and reforms in the examination procedures and processes (continuous internal assessment and end-semester assessment) have brought in considerable improvement in examination management system of the institution

IT integration and reforms in the examination procedures and processes (continuous internal assessment and end semester assessment) have brought in considerable improvement in the management of examination system of the institution. Essentially, KKSU is pursuing the integrated IT resources in examination procedures for concrete reforms and results in examination system.

The following are some pursuits which indicate the IT integration and reforms - Continuous Internal Assessment In practical activities and other activities, focus is on IT/ICT skill development for the students. These activities are essential parts of internal assessment. Especially as per curricula of Shiksha Shastri and Shiksha Charya, students are assessed on their ICT skills, as they are assigned to develop some specific technical resources for teaching of Sanskrit and other subjects. These activities are essential parts of Enhancement of Professional Competencies. End-Semester Assessment The examinations are conducted in the online mode. The teaching staff and students successfully took part in the examination process. This kind of exams reduce the stress among the students. Some firm instructions are communicated to the campuses and affiliated institutions to execute all examination procedures only in ONLINE MODE. With IT integration in examination procedures, efforts are stepped forward to paperless working culture. In the process some easy and eco-friendly practices are observed.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Sanskrit is our sanskriti (culture). This University has a pivotal role to play as it takes up the responsibility of sustaining the continuity of our culture promoting "Vasudhaiva Kutumbakam" (The Universe as one family) through the study of Sanskrit for the future generations. Thus this University has a great role to play in maintaining the social values and responsibilities among the students. It will play a definitive role in propelling India as a responsible global leader and an affable Big Brother. "Yatra Naryastu poojyante, tatra ramante devatah" This is what the kind of respect the study of Sanskrit promotes. This University obviously is the gamut of such studies of Sanskrit and promotes the gender equality among its students. It inculcates the sense of respect among the boys to treat the girls on par. So, this University plays a very important role in promoting social harmony and peace!

7.2 - Best Practices

7.2.1 - Describe one best practice successfully implemented by the Institution as per NAAC format provided in the Manual

a. Financial support to students The university provided liberal scholarships to its students right from Prak Shastri (+2) to Vidyavaridhi (Ph.D.) to prevent them from discontinuing their studies due to financial constraints.

b. Inculcation of Values in the Students' lifestyle. Besides teaching the students in the various disciplines, efforts are made to inculcate ethical values in the students of which the ancient Sanskrit is a veritable treasure trove. Attempts are made to teach them the values of 'generosity', 'social responsibility', 'equality', 'lending a helping hand without discrimination', etc. For this, the students are encouraged to practice Vedabhyasa, art of recitation, study of Bhagavad Gita, Ramayana and Mahabharata etc.

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

The mission of the University is to disseminate knowledge and also to help preserve and promote the glorious heritage of ancient India as enshrined in ancient Sanskrit language and Literature, through research and scholarly investigation. It also strives to enrich the quality of value-based education through systematic approach towards the higher learning without discrimination. To achieve its goals, the University is constantly striving to foster a keen interest of the society in the varied and rich cultural traditions of India with the promotion of various Shastras which are reputed to be fulcrum of the cultural and spiritual heritage of India. The university has played a major role in preserving, propagating and promoting Sanskrit Language and Literature through study and research of Shastras, using modern teaching techniques, during the last five decades of its existence.

7.3.2 - Plan of action for the next academic year

IKS will occupy the major chunk of the future programmes of this University. Indian Knowledge Systems encourage the students to pursue their study of the ancient shastras like Vastu, Science, Technology, Mathematics, Jyotisha, Dharma Shastra, Architecture, Ayurveda, Yoga, Language & Literature and Vedas etc. Sanskrit well supported with English will contribute brilliant scholars to propagate Sanskrit and Bharateeya Sanskriti abroad. With this aim the Central Sanskrit University is moving ahead to reach the definitive goal set for the purpose.
