Report of the Committee

Date :- 19.09.2018

The committee consisting of the following members have assessed the activities of last three years of the concerned department and verified the relevant records and documents. It is observed that all the faculty members are discharging their duties and responsibilities upto the satisfaction of all concerned. The concerned department has also done some combined works like organisation of departmental seminars, discourses etc. for the academic development of the University. Their contributions to the overall development of the University are praiseworthy. As regards research and publication, the faculty members are guiding the research scholars and are having number of publications to their credit. During last three years a good number of scholars have obtained their Ph.D. degrees. The faculty members are also presenting papers in both National and International seminars. They have some future plans from the current academic session as follows-

1. Taking up some more projects.
2. Introduction and implementation of e-courses.
3. The Department will conduct at least two seminars i.e. one National and another State level.
4. The Department will organize one day workshop for training their faculty members to upgrade the knowledge and research as well as teaching methodology.
5. The Department will also develop its departmental library.
6. The Department will publish one departmental research journal.

These minimum programs should be conducted every year apart from other normal academic and extension activities. The Department deserves to get 'B' grade.

The committee wishes all the best.
