Feedback from stakeholders is an important measure for the enrichment of the quality of the curriculum. The university has the well-defined feedback mechanism which is duly filled by the stakeholders' i.e students, teachers, parents and alumni. The suggestion received from these stakeholders is considered as a useful tool for necessary improvement. It is also useful to identify the curricular gaps and to take measures to bridge it by supplementing the curriculum with add-on courses, guest lectures, workshops, seminars, study tours and field visit, etc.

Even individual department takes feedback from stakeholders and prepare the action taken report. This report is submitted to the Dean (Academics), based on all these Suggestions an action taken report is prepared. Action taken report as per recommendations based on the assessment of the feedback from stakeholders received from all departments in enriching the curriculum is as given below for Session 2019-20

Action Taken related to Curriculum Revision:

University is keen to design and develop the curriculum based on the feedback received from the stakeholders. University has organised workshop on syllabus framing in order to fill up the gaps of what is prescribed and what is the actual need of the students. Based on these suggestion and feedback from stakeholders syllabus is revised time to time.
